

DOOR CLOSER PARTITIONING

The Door closer is an add-on to our Partitioning hinged doors, it is mechanical and adjustable. If you also have the need to keep the door in an open position the Arm for door closer locked open (89050783) can be added to the Door closer.

Door closer with pre-set closing force EN 3

Power adjustable by position

Adjustable sweep and latching speed

Includes arm with 180° angle of opening

Not intended for fire doors

Model description ROCA DC-770
